

SEND Information Report Autumn 2020

What we say:

“Denbigh Community Primary School is a fully inclusive school that ensures that **all** pupils achieve their potential personally, socially, emotionally, physically and educationally.”

What Parents say:

“Thank you for everything that you have done for our boys. I don’t think that you will ever know the impact that the school’s support has made to our family.”
(Parent of Y4 and Y2 children, September 2020)

What pupils say:

“My dyslexia support helps me spell the words that I can’t spell and gives me confidence to have a go at writing the words when I am in class.” (Year 5 child, September 2020)

What OFSTED says:

“The progress of disabled pupils and those with special educational needs is very closely checked and regularly reviewed. Carefully planned support, which closely matches individual pupil’s needs, makes sure that these pupils make progress that is similar to that of other pupils. “(Ofsted, October 2013)

Some of the ways we support children and families to achieve:

Denbigh Community Primary school works in partnership with families in order to support their pupils both in and outside school.

- Inclusion means children with SEND are included as fully as possible in all areas of school life including all trips and residential visits.
- The school embraces a 'graduated approach' to identifying pupils with Additional Educational Needs.
- The school uses SEN support plans to identify long-term outcomes for pupils. Skills needed to achieve these outcomes are identified and monitored through the use of individual education Plans on a termly basis. This offers children, parents and staff the chance to collaborate to create outcomes and targets.
- We believe that a collaborative approach is key and when we work together with families, we can make achievement possible. The Denbigh parent/Carer panel is developing and families of pupils on the SEND register have accessed training and are beginning to contribute to the school provision planning.
- Parent meetings take place where we strive to include parents at every stage of our SEN provision. When class teachers highlight specific needs children may have, our first response is to include parents in any discussions mostly via parent meetings.
- When we required additional advice, referrals are made to outside agencies to support the work carried out in school.
- Person Centred Annual Reviews of Education Health and Care Plans are carried out at Denbigh Community Primary School.
- We are committed to ensuring our practice is up to date and staff attend a variety of training both locally and nationally.

- Assessment is on-going throughout the school year and enables teachers to track pupils who may need individual intervention.
- As a school we provide a variety of interventions, this may be one to one, group intervention, during school, after school and ability setting in maths which enables SEND children to be taught within smaller groups.
- Attainment of children offered intervention is assessed at the start and end of the intervention period. Most children make accelerated progress.
- Our interventions are monitored through an electronic provision map.

What parents say:

"I think my child is growing in confidence with some aspects of school work especially maths and although he is not so keen on writing, he certainly has at times a great imagination and we are very proud of him." (Parent of Year 2 child, June 2020)

"Thank you for everything that you have done for our boys. I don't think that you will ever know the impact that the school's support has made to our family." (Parent of Y4 and Y2 children, September 2020)

"Denbigh and the SEND team are the reason my child has done so well in her SATS. I could not be more grateful to Denbigh and the excellent support that has been given to her. You have encouraged her to reach high in her education and the confident young lady that she has become is down to you." (Parent of Year 6 Child with Dyslexia, July 2019)

What pupils say:

I like working with my helper because they help me to understand the work better, especially when I get stuck. (Year 6 child, October 2020)

"My dyslexia support helps me spell the words that I can't spell and gives me confidence to have a go at writing the words when I am in class." (Year 5 child, September 2020)

What OFSTED says:

"The progress of disabled pupils and those with special educational needs is very closely checked and regularly reviewed. Carefully planned support, which closely matches individual pupil's needs, makes sure that these pupils make progress that is similar to that of other pupils." (Ofsted, October 2013)

"Equality of opportunity is central to the school's work and the school is very successful in removing any barriers to learning so that there are no differences in the achievement of different groups of pupils in the school." (Ofsted, October 2013)
