

SEND Information Report

Autumn 2017

What we say:

“Denbigh Community Primary School is a fully inclusive school that ensures that **all** pupils achieve their potential personally, socially, emotionally, physically and educationally.”

What Parents say:

“My child has made a lot of progress since starting her Dyslexia programme. I am delighted that she passed her SATs this year. The school and her support helper have been brilliant.”

(Year 6 Parent, July 2017)

What pupils say:

“I like working with my teaching Assistant on my programme. I think it is really helping me to improve. I put my hand up in lessons now and it has made me more confident”
(Year 6 child, October 2017)

What OFSTED says:

“The progress of disabled pupils and those with special educational needs is very closely checked and regularly reviewed. Carefully planned support, which closely matches individual pupil’s needs, makes sure that these pupils make progress that is similar to that of other pupils. “(Ofsted, October 2013)

We are a large primary school with an average percentage of children classified as having SEND support compared to other schools (15.7% compared to 14.4% nationally, January 2017).

The number of children an Education Health and Care Plan (EHCP) at Denbigh Community Primary School (<1%) is less than the National Average (2.8%).
26% of children receiving Pupil Premium are also on the School’s SEND register.
50% of pupils on the School’s SEND register also receive Pupil Premium.

Year 6 KS2 SATS – combined reading, writing and maths – SEN support children achieved 20% (expected standard or above) compared to 18% nationally.

Some of the ways we support children and families to achieve:

Denbigh community Primary school works in partnership with families in order to support their pupils both in and outside school.

- We believe that a collaborative approach is key and when we work together with families, we can make achievement possible. This year Denbigh is developing a parent/Carer panel, where families of pupils on the SEND register are invited into school at least termly to access training and contribute to the school provision planning.
- Parent meetings where we strive to include parents at every stage of our SEN provision. When class teachers highlight specific needs children may have, our first response is to include parents in any discussions mostly via parent meetings.
- Outside agency referrals are made to outside agencies to support the work carried out in school.
- We have replaced Individual Education Plans (IEPs) with SEN support plans. This offers children, parents and staff the chance to collaborate to create outcomes and targets.
- Person Centred Annual Reviews of Education Health and Care Plans are carried out at Denbigh Community Primary School.
- Inclusion means children with SEND are included as fully as possible in all areas of school life including all trips and residential visits.
- Staff training where we are committed to ensuring our practice is up to date and staff attend a variety of training both locally and Nationally.

- Assessment is on-going throughout the school year and enables teachers to track pupils who may need individual intervention.
- As a school we provide a variety of interventions, this may be one to one, group intervention, during school, after school and ability setting in maths which enables SEND children to be taught within smaller groups.
- Attainment of children offered intervention is assessed at the start and end of the intervention period. Most children make accelerated progress.
- Our interventions are monitored through a new electronic provision map.
