Incorporating physical activity into learning to realise the benefits of physical activity on health and fitness.</i>	<i>Children developing active lifestyles and understanding the importance of being physically active throughout the day.</i>
	TOTAL	£19455		

Swimming

Our children are taught to:

- Swim competently, confidently and proficiently over a distance of at least 25 metres
- Use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- Perform safe self-rescue in different water-based situations

Denbigh Community Primary School currently offers swimming lessons for all children in year 5. Qualified swimming instructors, who follow guidelines set out by the Local Authority, teach the children over a planned series of lessons to develop their aptitude.

Currently, in our Year 6 cohort (2018-19),

	Percentage of Year 6 children
Swim competently, confidently and proficiently over a distance of at least 25 metres	50%
Use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]	35%
Perform safe self-rescue in different water-based situations	35%
