# DENBIGH

Year 5 Dolphins have been enjoying yoga sessions with YogaBugs over the past few weeks. We have been trying to improve our core strength and balance whilst stretching our muscles. We love trying to remember all of the different names for the different poses! [#dcpsdolphin#dcpspe](#)

We had a visit from Apple this week.

The feedback from the visitors that were in school was fantastic! It was evident across the school, both in classrooms and interventions, that the children are at the centre of everything we do. They were bowled over by the way you have embraced the use of ICT and how the widespread use of it supports and enhances our children's development and learning. It was evident from the confidence and creativity the children displayed that they use the iPads continuously and purposefully. This doesn't happen everywhere and is testament to your hard

Year 2 braved the windy Quayside today to continue our Victorian journey. We started with the fab Richard to learn about the Great Fire of Gateshead and Newcastle which happened in 1854. We learned that it started in a cloth factory in Gateshead, then walked across the Swing Bridge to hear how a huge explosion then caused the fire to spread to Newcastle. In Bessie Surtees' house, we used our knowledge of the Great Fire of London to talk how they stopped the fire spreading. After a well deserved lunch at the Baltic, we explored the bridges of the River Tyne and even had a go at making a few of our own. Well done Year 2 on

Year 1 had a fantastic autumnal trip to Richardson Dees Park yesterday. They learnt all about the changes that occur outside during autumn and also enjoyed lots of activities which made great use of the parks natural resources. Some favourites were the clay faces and fairy houses. Year 1 were impeccably behaved. A credit to our school!

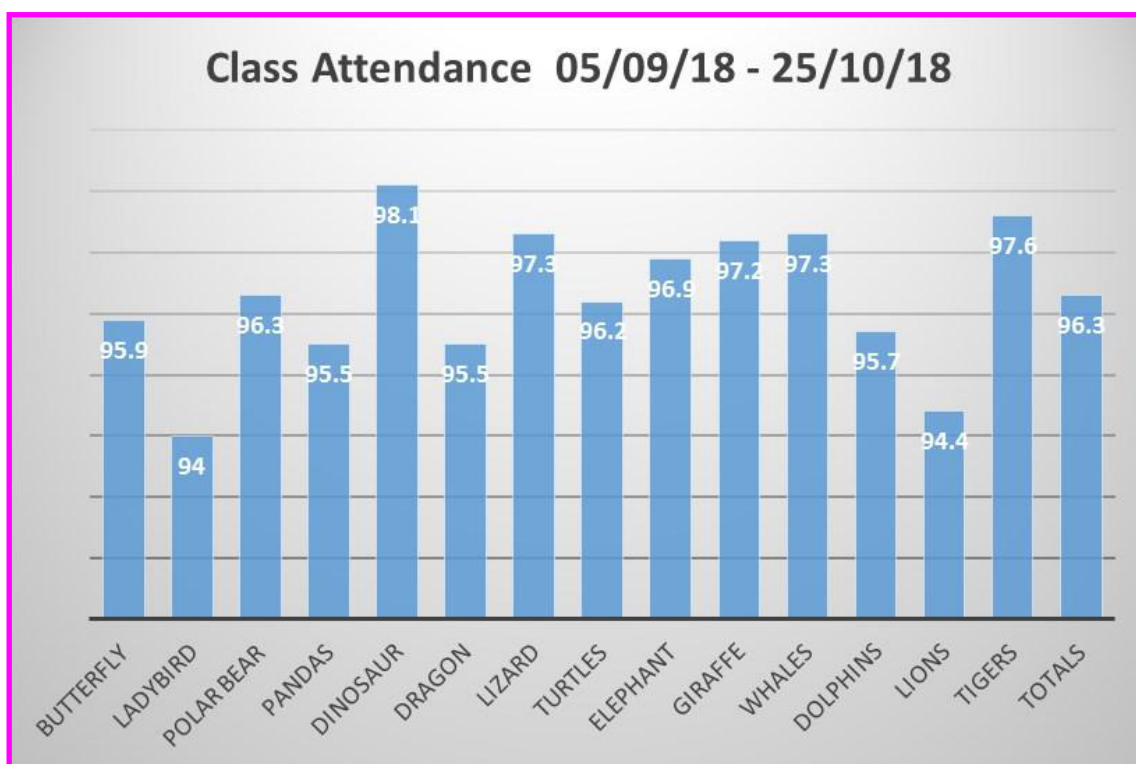

Just to make you aware the rules regarding term time holidays have changed. All holidays will be referred to Local Authority Education Welfare for a penalty notice fine. The penalty notice fine is £60 per parent, per child if paid within 21 days. This will rise to £120 per parent per child if paid after this date. None payment may lead to a court summons being issued against you.
