DENBIGH

We did it!! Very proud to announce that our amazing school has been awarded the Artsmark Gold Award. The Artsmark recognises the importance that Arts provision has in a child's education and acknowledges the positive impact that cultural education has on a child's development. The assessment panel had these very kind words for our school, 'The panel commends the commitment you have shown in supporting a wide range of artistic and cultural opportunities for pupils at Denbigh Community Primary School. You have continued to develop a wide range of partnerships and provide authentic experiences for pupils, by utilising local and national artists and venues. The Arts Councillors appear to have had a positive effect on raising the profile of arts within the school, including widening the diversity of activities.' Congratulations to all our children and staff for making this happen! Well done Denbigh.

A huge thank you to David Guest and Sports for Schools for helping us to host such an amazing event. The children thoroughly enjoyed learning about David's journey through sport and competing and how he never gave up on his dreams at such a young age. A true inspiration! Please can we ask for any sponsorship money to be brought into school by Friday 15th February and thank you for your continued support in everything our children do!

Year 4 Elephants making prototypes of their inventions in DT. We've got some inventors in the making!

Please note: We are not going to Amsterdam with DFDS this year, hopefully this is

Last week for Safer Internet Day Year 1 came up with some great visuals for what they believe the internet looks like. They also used role play and games to explore which information they should and shouldn't give out online.
