DENBIGH

Reminder: No nuts in packed lunches due to nut allergies in school!!!

Our new three week school menu will start after half term on Monday 3rd June 2019. We offer a wide choice of four main courses and a selection of puddings prepared everyday by your school's catering team. Children can also help themselves to freshly prepared salads from our salad bar. The menu is available to view on North Tyneside Council's Website www.northtyneside.gov.uk simply type in menu

We have loved our Outdoor classroom day in Year 3. It has been great to get out in the lovely weather!

Year 5 investigated the relative sizes and distances of our solar system today using a roll of toilet paper. It helped us to visualise how far away the different planets are from the Sun and each other. 1 square of toilet paper represented 57 million km! Even the wind couldn't stop us although we did have to get a bit creative to ensure our toilet paper solar system stayed intact!

Year 6 really enjoyed talking to Paul yesterday and finding out all about his Atlantic challenge that he will be undertaking later this year. We were fascinated by how

small the rowing boat is and how they would do basic daily things like eat, wash and of course - toilet! We think you are really inspirational Paul and wish you the best of luck.
