Year 6 Lions have been enjoying their music lessons this half term. They are learning how to compose using Garageband on their iPads. They enjoy playing both solo pieces and as part of an ensemble. They are showing determination and resilience whilst learning the instrument. Well done Lions.

Here at Denbigh we have had great fun celebrating the England team's achievements at the Euro's. Although the England team weren't quite able to 'bring it home' our children have enjoyed supporting them throughout the tournament. It has also created opportunities to talk about courage, pride, resilience and disappointment!

Thank you to one of our lovely parents for entering us into a competition, which we won! Thank you also to Dunelm for the gardening goodies and treats! It is much appreciated.
