

PUPIL PREMIUM

Date	Review Date	Coordinator	Nominated Governor
SUMMER 2023	SUMMER 2025	LOUISE GUTHRIE	DAN TOLAN

We are aware that the Pupil Premium, which is aimed at children from Reception to Year 11 pupils, is additional funding given to schools in order to address the inequalities between those children eligible for free school meals and their peers. It is our duty to use the Pupil Premium effectively in order to raise achievement and narrow the gap between those children from low income families, looked after children, children whose parents are serving in the armed forces and their peers.

It is our intention to disaggregate the Pupil Premium funding from the main school budget and to target the groups of pupils that it is intended for. Also, the funding will be spent on strategies considered to be the most effective on raising achievement.

We understand that we will be held accountable on how we use the Pupil Premium and that the achievements must be quantifiable. This will be done by using the school's performance tables to compare the achievement of Pupil Premium pupils with their peers.

By using pupil tracking data effectively we can identify the strengths and weaknesses of individual pupils and groups and then provide the relevant support that is necessary in order to accelerate pupil progress.

Every year we will publish online details on how we intend to spend our Pupil Premium allocation plus an evaluation of its impact from the previous year.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.
