

Google Classroom

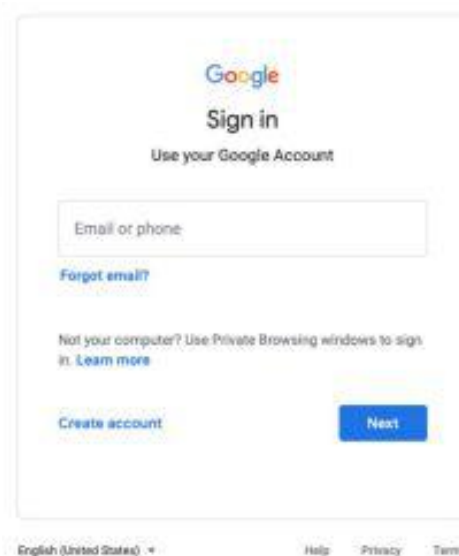

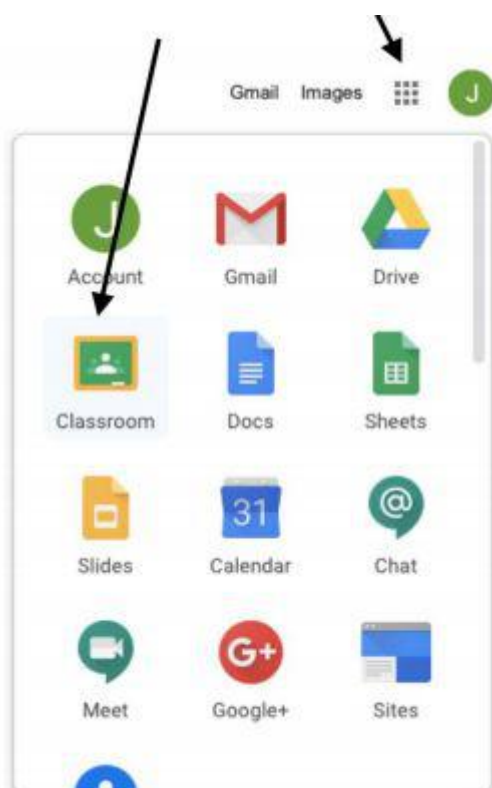

We now have a Virtual Classroom which includes links the children can use to easily access their homework and other materials to support their learning.

Here's how to access it.

1. Open up Google and sign in using your child's Denbigh email address and password.

2. Click the 9 small squares and click on Google Classroom.

3. Click onto your child's classroom

4. Click on the Virtual Classroom link on the 'stream' page.

Our Virtual Classroom!

Year 2 Dragons - Google ...
<https://docs.google.com/pre...>

5. Click on the picture of the classroom to open up our virtual classroom.

<https://docs.google.com/pre...>

6. There are different links attached to the pictures on the classroom. These will take you directly to a web page. A picture has a link attached if you see a hand when you hover over them.

Find your child's homework here. This will take them directly to their task.

7. By clicking on other images you can access other links.

English: This links to BBC Bitesize where the children can use the game to practice what we do in class.

Maths: This links to BBC Bitesize where the children can use the game to practice what we do in class.

Mathletics: login using the details on the card.

Phonics: games to play to practice sounds.

Spelling: This links to Spelling Shed. Login using the details on the card.

MyOn: Choose Denbigh Community Primary School, then login using the details on the card. Here you will find hundreds of books covering different genres which the children can read or have read to them.

More links will be added, but these are the key ones the children need to use and be familiar with for now. If you need any further help, please ask using dojo.
