ZERO TOLERANCE

Your children are our priority!

Our lovely staff will always go above and beyond to help anyone they can. We do an awful lot here at Denbigh to enrich the education of your children and in return we expect that you appreciate, value and respect what we do.

As you can imagine with around 450 children and over 60 members of staff, occasionally things don't always go to plan, or in favor of every individual family.

All we ask is that you take a minute to consider the lengths that we go to in order to operate at such a level. Please give us the respect that we deserve.

We ask that you speak to us in a courteous and dignified manner, just as we communicate with you. **We will not tolerate rudeness or abuse of any nature.**

At no point do our staff take to Facebook to discuss their issues, so again, we request that your issues and queries are discussed directly with staff and not in the public forum – it doesn't matter whether you have private settings or not! **Negative Facebook posts** can cause a huge amount of heartache for the hardworking staff at our school.

Inappropriate behavior on school premises is not permitted, this includes aggressive behavior and the use of foul language.

Any visitor who is in breach of these expectations will be issued with an immediate ban from the school premises, which will be issued by the school Governing Body.
